

WE ARE SEEKING
65 CONSULTANTS

in the following disciplines:

IT • Science • Business • Law • Economics • Engineering

“Truly, the energy and passion throughout the office is palpable - contagious, even - which makes each day exciting!”

- **Marjorie McLenan**, Senior Associate Director

“I love the fact that the work we do directly impacts the bottom line for our clients and sparks economic growth. I was looking for a career, and I found it. “

- **Joseph Kalkstein**, Associate Director
